CALL-TO-ACTION

TEACHERS,

In partnership with The Residency and Bloodworks NW, our school will be hosting Where the Heart Lives, a live concert featuring local diverse musical and spoken-word artists who communicate peer-to-peer with our students through music, incorporating community engagement, and positively impacting our community's health. The show may compliment an upcoming blood drive with Bloodworks NW and can inspire our students to participate by donating blood.

Find out more about The Residency, Bloodworks, and Where the Heart Lives at [WhereTheHeartLives.org](https://www.wheretheheartlives.org)

We welcome you to bring your class to learn and enjoy.
